

Willow Creek Ranch

The warm and grand atmosphere of this beautiful post and beam ranch style home greets you the moment you enter the gorgeous entryway. The beauty of the expansive tongue-n-groove ceilings, the grand two story moss rock fireplaces and the hewn logs are accented by the wall of light that enters through the spectacular windows. Through impeccable design and quality craftsmanship, this home invites you to sit down and enjoy the comfort of home. The gourmet kitchen features luxurious granite counters, center island and a peninsula island which provides both additional eating space and a perfect space for entertaining guests. The rich custom cabinetry that wrap throughout the kitchen and the massive walk in pantry afford plenty of space for the discriminating chef to work. A Stainless Steel Sub-Zero refrigerator and 6 burner Viking stainless steel gas range compliment this finely detailed kitchen and give it the touch and function it deserves. The spectacular use of space and light in the kitchen make it both appealing and an atmosphere that will make it a central place for gathering.

Entering the main floor master through the custom hand carved

French doors reveals a large private sitting area with a cozy stone fireplace to enjoy a good book by. The master bedroom is also bright and opens to its own balcony to enjoy the fabulous views of Pikes Peak.

The five piece master bath features marble floors with inlaid black onyx tiles, oversized corner tub, exquisite glass block walk in shower, and a massive walk in closet. From its vaulted post and beam ceilings to its warm appointments, every aspect of the master suite has been built for a comfortable but elegant life style.

This spectacular home also has a beautiful library that has a French door entry and opens to a beautiful cherry hardwood floor, elegant wainscot and a vaulted tongue-n-groove ceiling. The library features an entire wall of custom book shelves constructed with impeccable craftsmanship in a gorgeous medium cherry finish. In addition there is also a large walk out basement with a wet bar, exercise area and an elegant home theater with surround sound to take in that favorite movie.

In addition to the beautiful homes, this property offers 50.39 acres of pristine horse property which is fenced and cross fenced and has ample loafing sheds and paddocks. In addition, Willow Creek has a five stall barn with water, electricity, loft area and hay storage. One of the five stalls is a twelve by twenty four foot stall built especially for foaling. An additional 25 x 26 metal shop building is ready for most any use. The property's master plan was carefully designed to maximize each and every aspect of this fabulous ranch

Willow Creek is just minutes from Castle Rock and the amenities that add to your quality of life and still captures the feel of the country. In a world of its own, this magnificent property is removed from the hustle and bustle of city life and just a short commute to the Denver Tech Center. From the beautiful views, quality construction and craftsmanship, to the extraordinary estate living, Willow Creek offers all you could possibly want and more.
